Welcome to MSCR!

Dear Madison Community,

When school's out for the summer, it's our time to shine at MSCR. As a department of the Madison Metropolitan School District, we offer recreation opportunities for community members of all ages and abilities all year round, but summer is when things really heat up

This year, we're especially excited to celebrate the 50th anniversary of Art Cart, a beloved Madison tradition! For half a century, in partnership with the Madison Museum of Contemporary Art, Art Cart has been bringing creative, outdoor artmaking experiences to parks and playgrounds across the

city. You can find Art Cart, along with our other "MSCR on the Move" programs – Play on the Move and Clay on the Move – throughout the city all summer.

Looking for something different? Explore an intergalactic art or stop-motion animation workshop, jump into a sports camp, drop-in for a high school club, or take a new fitness class or tennis lesson. Whatever your interests, you're sure to find something fun with MSCR.

Let MSCR help you and your family discover your summer fun!

Sincerely

Mary Roth, MSCR Executive Director

SOCCER LEAGUES

MSCR Youth Soccer Leagues are designed to provide neighborhood-based recreational soccer programs for players of all abilities and experience levels. Our community-focused leagues strive to bring players, families and volunteer coaches together while enjoying and learning the basics of soccer. No try-outs, scores or records are kept - just in it for the fun of the beautiful sport. MSCR staff schedules the games, provides referees, and supports volunteer coaches throughout each season. Volunteer coaches may also schedule practice days/times but they are not mandatory.

POLICIES & PROCEDURES

MSCR Aquatics offers swim lessons for all ages (infants through adults) following American Red Cross standards, plus a variety of adult aquatic fitness and specialized programs.

REGISTRATION

For Preschool and Youth lessons, please register for a time slot. Swimmers who are either new to MSCR or who have not taken lessons in the previous calendar year are tested to determine their class placement.

WHAT TO BRING

Participants should arrive swim-ready for their lesson and bring their own towel. Patrons are allowed to bring bags and towels to the spectator area. MSCR and the City of Madison are not responsible for any lost or damaged items.

BEFORE YOU SWIM

Showers must be taken before swimming and long hair must be restrained. Lockers are available. Men's, women's and all-gender restrooms are available for changing after lessons. MSCR affirms the right of individuals to use facilities that align with their gender identity.

WEATHER IMPACT & CANCELLATIONS

In the event a class is canceled, participants receive a one time credit for that class. Make up classes are not scheduled.

CHILD + ADULT

Active adult participation is required.

LITTLE DIPPERS (6 MONTHS - AGE 2)

An introductory class that familiarizes children to the water and teaches swimming readiness skills. Provides safety information for guardians and teaches techniques that can be used to orient children to the water.

SHRIMP DIP (AGES 3-4)

Builds upon skills learned in Little Dippers. To prepare children for preschool or youth lessons, this class provides a bridge to independent swimming by gradually decreasing adult support in the water.

SWIM WITH ME (AGES 5-13)

A transition class for youth who are not comfortable without an adult in the water. Instructors work with each family individually on a transition plan into youth swim lessons. Learn basic swimming strokes and about water safety, closely following Red Cross Level 1 skills.

*Swimmers who have been successful in regular youth lessons should not enroll in this class. Not open for internet registration. Call 608-204-3019.

PRESCHOOL (AGES 3-5)

Prerequisite: must be toilet trained and comfortable without an adult in the water. A variety of swim aids are utilized to assist in skills development and encourage the discovery of independent movement through the water, based on the child's developmental age. If your child isn't ready to participate without an adult in the water, consider a Child + Adult class.

YOUTH (AGES 5-13)

MSCR is a licensed American Red Cross Learn-to-Swim provider. A variety of swim aids are utilized in all class levels to encourage the discovery of independent movement through the water and to assist in building endurance.

LEVEL 1: INTRODUCTION TO WATER SKILLS

No swimming skills necessary. Introduces basic aquatics skills. Begin developing positive attitudes, effective swimming habits and safe practices in and around the water.

LEVEL 2: FUNDAMENTAL AQUATIC SKILLS

Gives participants success with fundamental and locomotion skills in the water, including how to float and glide without support and recover to a vertical position.

LEVEL 3: STROKE DEVELOPMENT

Builds on previous skills by providing additional guided practice in deeper water. Example skills: rotary breathing, treading, elementary backstroke and headfirst entries in deep water.

LEVEL 4: STROKE IMPROVEMENT

Helps develop confidence in the strokes learned in previous levels and improves other aquatic skills. Example skills: back crawl, sidestroke, breaststroke, butterfly and surface dives.

LEVEL 5: STROKE REFINEMENT

Teaches how to coordinate and refine strokes. Example skills: flip turns, sculling and shallow-angle dives.

ADULT

TEEN/ADULT SWIM INSTRUCTION (AGES 13+)

This class orients swimmers to the aquatic environment to feel comfortable in the water in a small group. Instruction is individualized based on swimmers' goals and proficiency levels.

ADULT WATER FITNESS

Teens ages 13-17 may register with a participating adult.

AQUA CIRCUIT

A high-energy workout, this class includes cardio and muscle conditioning using noodles and aqua dumbbells. Aqua endurance and interval training, followed by strength and core work and a short cool down. You do not need to be a swimmer to participate, as the class is conducted in shallow water.

DEEP WATER EXERCISE

A solid aerobic, cross-training workout without the impact and strain on joints. Aqua endurance, strength and core work followed by a short cool down. Flotation belts provided, but you should feel comfortable in deep water.

MASTERS SWIM (AGES 18+)

A structured workout environment for swimmers of a variety of fitness and skill levels. The coach provides workouts varying from emphasizing endurance and building fitness to speed work and stroke development. Participants should be able to swim 500 yards non-stop. Typical workouts are 1800-2500 yards.

WARM WATER EXERCISE

These specially designed classes promote toning, increased stamina, endurance, flexibility and strength for active participants in a warm water pool. After warm-up routines, use flotation devices for resistance training and enjoy cool-down activities.

LAP SWIM & FEES

A Swim Pass is required for lap swim and can be purchased at MSCR or from the lifeguard on duty at any site. No cash please; check or credit cards only. Passes are good at all MMSD pools and are transferable; they are non-refundable and do not expire. \$25 for 14 punches per card (1=youth, 2=adult). All participants are required to fill out a waiver of liability and emergency contact form, which is available on our website.

ADULT LAP SWIM SCHEDULE

Swimmers who are ages 13+ and who can swim laps continuously as part of a fitness regimen are welcome during lap swim time.

ADULT

BEYOND THE TRAIL

Learn essential outdoor skills from MSCR Outdoor Instructors including poisonous plant ID, knot tying for shelter building, wood splitting for fire building and navigation using map and compass. No experience required.

MULTI AGE/FAMILY

All participants must register and an adult over 18 must register and participate with youth participants. Best suited for ages 5+ unless otherwise noted.

CAMPFIRE COOKING

Learn the art of cooking delicious and nutritious meals over an open fire. Practice campfire cooking methods and safety procedures through a combination of demonstrations, hands-on activities and a shared campfire meal. Apply camp kitchen setup techniques and leave no trace principles. Information regarding the specific menu is emailed closer to the program date. If you have concerns regarding dietary restrictions, please call 608-205-3025. Best suited for 8+.

ESSENTIAL OUTDOOR SKILLS

Learn fundamental outdoor skills such as fire and shelter building, knot tying and easy plant identification. Join us for this interactive and hands-on class and apply the knowledge you gain at your next outdoor adventure!

FAMILY CAMP OUT

Whether you are new to camping or want to experience an activity-filled overnight at the Madison School Forest, look forward to a memorable time with supportive MSCR staff! Saturday activities include the opportunity to learn or grow in outdoor survival skills, a night hike with stargazing and campfire cooking. On Sunday morning learn how to use a map and compass, with options to complete an Orienteering course or go on an instructor-led nature walk. Tents are provided and the price includes snacks, dinner and breakfast. More pre-trip information is sent to registered participants before the program.

FIRELIGHT & STARS

Enjoy a family night adventure where MSCR staff lead participant through various night time activities including firebuilding, stargazing, understanding night vision and even a night hike! End the night with a s'more by the campfire.

ORIENTEERING

Orienteering is an activity in which participants find their way to various checkpoints with the aid of a map and compass. Orienteering can be competitive (groups compete to finish finding all the check-points with the lowest time) or a fun leisure activity. MSCR has three course located at the Madison School Forest. The courses vary in difficulty and length to allow for each group to choose the best challenge for themselves. MSCR provides participants with the course maps, 1-2 compasses, markers for recording and directions on how to use the map and compass to find the checkpoints (no experience necessary).

POND DIPPING AT THE MARSH

Early summer is a great time to see Cherokee Marsh come alive! Families discover critters of the marsh through pond dipping, an activity using nets, buckets, spoons and other investigative tools to uncover all there is below the surface of the water. Participants hike to the wetland ponds to learn about wetlands and pond dip. If time allows, we'll compare what we find at the wetlands with what we find in the river.

SOIL EXPLORERS

DAY TRIP - TRAVEL WITH MSCR! A MIDSUMMER NIGHT'S DREAM AT AMERICAN PLAYERS THEATER

Pack your picnic basket, embrace the night and get ready to experience a magical performance of Shakespeare's A Midsummer Night's Dream under the stars and in the woods at American Players Theater in Spring Green, WI.

In this iconic Shakespearean fairy tale, love weaves a tangled web. Hermia and her beloved Lysander flee into the forest to avoid Hermia's arranged marriage to Demetrius. They're pursued by Demetrius himself, along with Helena, who is, in turn, in love with Demetrius. In that same forest, Oberon and Titania,king and queen of the fairies, are having a quarrel of their own. And when Oberon enlists his accomplice Puck, aka Robin Goodfellow, to throw some magic into the mix, everyone - including a hilarious group of "rude mechanicals" led by Nick Bottom gets caught up in the spell.

Before the show, enjoy a picnic dinner in a shelter reserved for the group. BYO picnic or purchase food on site at concessions. Shuttle available from shelter to the hilltop. Must be able to step up at least one step. Bus loads at 4:45pm in front of MSCR West at 7333 West Towne Way. Fee includes admission, picnic shelter reservation and motorcoach transportation. Registration deadline is 7/10/25. Ages 14+.

Adult sports leagues are team based competitions. Teams sign up and register for a division of play. Site supervisors (if applicable), officials and some game equipment are provided. Generally games are played at a local high school or a park softball diamond. Leagues play on the same night of the week for the entire season. MSCR offers men's, women's and all gender divisions. Teams self rate their skill level and are placed in a league of comparable skill whenever possible. Maximum participation, fun yet competitive atmosphere with a good time for all.

AGE

18 years and older (16 for summer softball and kickball). High school students are not eligible for adult fall volleyball or adult fall basketball leagues.

FEES

Cover the cost of officials, facilities, awards, equipment, scorer-timers and league administration. MSCR offers fee assistance for MMSD residents in need - fill out the Fee Assistance Request on page 58 and send attention: ASLD at MSCR West. MSCR also works with teams that have secured sponsorships to help with the cost of playing. Fees are per individual - there are no team fees. No refunds are issued once schedules are published.

GENDER

MSCR recognizes that not all individuals identify with the gender assigned at birth or may identify as a gender other than male or female. Participants are encouraged to register for programs based on the gender with which they identify. All gender leagues are offered with the intent of teams having a mix of genders included on the team.

RESIDENCY

50 percent of the team roster must reside within the Madison Metropolitan School District.

The mission of Madison School & Community Recreation (MSCR) Inclusion Services is to enhance the quality of life for individuals with disabilities in the Madison Metropolitan School District, and for the community, by providing recreation and enrichment opportunities year-round that are accessible to all. MSCR is committed to an inclusive approach to recreation and will provide reasonable accommodations to enhance program participation without fundamentally altering a program.

WHAT IS THE INCLUSIVE APPROACH TO RECREATION?

Inclusion means individuals with and without disabilities participate together in the same way, in the same place and enjoy the same benefits.

The ADA (Americans with Disabilities Act of 2008) defines a person with a disability as a person who has a physical or mental impairment that substantially limits one or more major life activities. This includes people who have a record of such an impairment, even if they do not currently have a disability. It also includes individuals who do not have a disability but are regarded as having a disability.

In addition to the above criteria, MSCR recognizes anyone receiving Special Education Services/504 Plans as a person with a disability.

WHAT ARE THE ELIGIBILITY REQUIREMENTS?

Inclusion services are free and available upon request. Requirements for inclusion in a program or activity are the same as those for a person without a disability.

- Meets age requirement
- Is registered
- Adheres to behavior expectations, with or without reasonable accommodations
- Voluntarily participates in registered activity, with or without reasonable accommodations
- Meets any other essential eligibility requirements for a specific activity

WHAT ARE REASONABLE ACCOMMODATIONS?

Reasonable accommodations are modifications based on an individual's abilities, staff capacity and program structure to promote successful participation. Reasonable accommodations can include, but are not limited, to the following:

- Activity modifications that do not fundamentally alter the nature of the program
- An enhanced staff to participant ratio
- Behavior support plans
- Sign language interpreters
- Adapted equipment
- Alternate or accessible transportation, when transportation is provided for all participants
- Removal of architectural barriers
- Additional staff training

WHAT ARE THE LIMITATIONS OF INCLUSION SERVICES?

MSCR provides reasonable accommodations for inclusion. Some accommodations, due to the activity or the environment in which the activity is conducted, may not be reasonable and thus there is no guarantee they will be provided. Examples of accommodations that are not guaranteed include:

- Individualized therapy or programming
- Provision and/or purchasing personal, custom devices or equipment
- · Hiring or placement of a specific person as support staff
- Services of a personal nature such as toileting, feeding and dressing

Recreation Inclusion Staff are not provided for non-structured non-registered programs i.e. open gym, open swim, drop-in program, or child+adult or family activities, though other reasonable accommodations will be discussed.

WHO DOES MSCR HIRE?

MSCR hires Recreation Inclusion Staff to enhance staff to participant ratios. MSCR makes every effort to hire diverse staff that have experience and an interest in working with people with disabilities.

HOW CAN YOU ACCESS SERVICES?

- When you register, mark YES in the Require Accommodations section of the online or paper Registration Form and indicate the potential accommodations needed.
- Complete the Online Participant Profile Form or print this form at mscr.org and return to MSCR, 328 E Lakeside St, Madison, WI, 53715.
- Upon receipt of the necessary documents, MSCR's Inclusion Services Staff review your request and work with you to establish an individualized inclusion plan.

BY REQUESTING INCLUSION SERVICES, I UNDERSTAND THAT:

- MSCR must be provided with the most current information to assist in providing accommodations to meet the participant's needs.
- Reasonable accommodations may assist the participant in meeting activity rules/expectations, but does not exempt them from following those expectations.
- If the participant's behavior presents clear or imminent risk to themself or others, MSCR may unenroll the participant from the activity.
- Inclusion services are not designed for therapeutic or 1:1 care.
- We request at least 2 weeks to plan and secure reasonable accommodations. In some cases reasonable accommodations may take longer. All attempts will be made to accommodate the needs of all participants. However, due to staffing constraints and/or capacity limits of the requested activity, registrations or accommodations may be limited. If so, other options (days, times, locations) may be discussed.
