Recital times- The recital times this year are 1:45 am and 3:45 pm. Each show will last about 45 minutes. Please see the enclosed line up for your child's recital time. If you are unsure of your child's performance time, please check with your child's instructor.

Costumes- Your child will receive their costume at their last class. If they miss their last class, their instructor will bring it to the show. Please have your child wear their costume to the recital; they should be all ready to go when they arrive. If they are in more than one performance in the show, please have them dressed for the first performance number that will be on stage.

Parking- Street parking is often available. Be advised to look for street cleaning notices and other signs detailing parking restrictions. Additionally, there is a paid parking ramp adjacent to the MYArts building, with the entrance located on Ingersoll St. and a rate of \$2 per hour. Please do not park in the Lapham Elementary School parking lot as they have programming going on at the same time as our recitals.

Bathrooms- Please have your child use the restroom before dropping them off for the recital! There are restrooms backstage for emergencies, but your help with this will help us minimize trips to the bathroom.

Performer Drop Off- At your assigned time, please drop your performer off with their instructor in the photo area in the fourth floor lobby at MYArts. They should be dressed in their costume and dance shoes. **Adults/Guardians and personal belongings are not allowed backstage. All performers remain backstage until the end of the show** (we have a live feed of the performance they can watch!)

Photos/videos- Please no cameras or video equipment during the recital as they are distracting to performers and other audience members, and interfere with the video recording of the show. Please remind your entire party.

- Photos or videos can be taken at your child's last regularly scheduled class of the session. Families will be invited to the last 10 minutes of class to watch a final rehearsal and take videos/pictures.
- We will have a photo area set up on the day of the shows. Organized class photos will take place prior to each recital. Please see the attached schedule for photo times. You are welcome to take pictures of the class before the recital. There will be opportunities for individual photos of your choice after each recital as well.
- We will have USBs with the recording of the show available for purchase. A USB order form is enclosed. Forms may be returned to MSCR in advance or to the fundraising table at the recital. Cash, check and credit accepted.

Seating- Seating is first come, first serve. If you need to leave the auditorium, please wait until the curtain is closed between performances.

Dancer pick up- After the show, dancers in Kindergarten or 1st Grade can be picked up off front of the stage after the finale. Please send one adult to the stage to pick your child up. Dancers in 2nd grade and up can be picked up in the colorful hallway behind the theater leading to the lobby. Instructors will be available for pictures following pick-up in the commons.

Fundraising counter- We will have a limited supply of celebratory items for sale at each of the recitals. Proceeds go towards offsetting the cost of the shows. We can only take cash or checks made out to MSCR.
